Dear Members,

We had a wonderful start to the year with the national summer Convention being held in Auckland in January. It was a beautiful gathering with interesting presentations on *Awakening The Heart*. We were very fortunate to have Dr. Jude Currivan, international cosmologist and futurist, join us as keynote speaker, and it was special to see so many members get the opportunity to chat with her. We were also very fortunate to have Shona Hammond Boys, a peace ambassador for New Zealand from Auckland. Her

presentation was described her experiences through creativity and the opening of the heart. The feedback we have received has been incredibly positive. HPB Lodge played a huge part in making this event so successful, with an amazing entertainment night at our hall and arranging the outing, amongst many other things. Thank you to all the workers who helped make this possible.

Our **Monday evenings** will begin again on **Monday 10 March at 7.30 pm**, with the theme: **Ancient Wisdom ~ Modern Insight**. A pathway of discovery awaits every human being, words can but point the way, yet true insight is to be known experientially and goes hand in hand with an ethical, wholesome life. It must involve the whole person at every level of their being.

If you are interested in finding out more about this series, I would recommend attending the introductory session on 10 March to see an overview of what we will be studying over the ten weeks in this series. The library and bookshop will be open from 7.00 pm on each of these Monday evenings.

Our **Theosophical Library** is open regularly on a Saturday morning from 10 am – 12 noon beginning on Saturday 08 March 2025. All are welcome!

The first of the **Saturday Morning Discussion Group** dates are 12 April, 17 May and 14 June 2025. Topics centre around key theosophical ideas and right conduct. Full details are in the programme attached.

We have a number of **Important Dates** coming up including **White Lotus Day** on Thursday 08 May and the National Section's **2025 School of Theosophy** with International guest Juliana Cesano. Please see page 2 and 3 of this newsletter, for further details. Note the School of Theosophy is a must-register event.

I am looking forward to seeing you at the lodge soon, and don't hesitate to bring like-minded friends or family to our introductory series. If you have any questions or queries, please contact me.

With best wishes for the year ahead,

Renée

Thoughts to ponder...

An older member once remarked when he was reminiscing about meeting Past International President of the TS, N. Sri Ram, he asked: *“With all the intrigues and petty squabbles going on in the TS world, how do you cope with all that? Does it upset you?”*

Sri Ram turned to him and quietly said
‘It’s all just wind blowing in the leaves’
